

Spring 2 2020 Year 5 Homework Grid

Dear Parents/ Carers,

Completing homework can help children consolidate many of the skills learnt in school. In the table below are a range of activities linked to the work we will be covering in school this half term. Your child can choose to complete as many of these activities as they like over the half term and bring them into school to share with their class.

<p style="text-align: center;"><b><u>Topic</u></b></p> <p>Make a model of a mountain range/ landscape. This will boost their knowledge of landscapes and terrain differences from around the world, along with supporting our Geography lessons.</p>	<p style="text-align: center;"><b><u>Topic</u></b></p> <p>Find out if anyone in your family owns anything gold, or any precious metals. Create an image or story for this object, based around Alchemy Island.</p>	<p style="text-align: center;"><b><u>Topic</u></b></p> <p>Make a list of foods that change state when heated or cooled, such as eggs, water, butter and chocolate. Plan and make an 'alchemists banquet' for your family and include foods from your list.</p>
<p style="text-align: center;"><b><u>Science</u></b></p> <p>Investigate the reversible and irreversible changes that you can find within your own home. Write up which changes you found and the results.</p> <p>Tip: try the kitchen or bathroom, with support from an adult.</p>	<p style="text-align: center;"><b><u>Reading</u></b></p> <p>Expectation of sustained reading 10 minutes a day. Please complete your child's reading diary, when they have read. Make sure they return the diary and reading book to school daily.</p>	<p style="text-align: center;"><b><u>Maths</u></b></p> <p>Practise your mental maths. The focus for this should start with times tables. Focus on the multiplications, which you need to practise the most and show your progression to the class.</p> <ul style="list-style-type: none"><li>➤ Play Prodigy</li><li>➤ Practise on Times Table Rock stars</li></ul>
